

One-to-one Business English

Should you require a more intensive form of learning then our 1-1 courses will bring you closer to your goal of fluency in English. The following tasks can be undertaken on a one to one basis in addition to the business skills set in the intensive courses:

- Review of participant's own written documentation (emails, offers etc)
- Presentation correction and simulation
- Phone call and telephone conference simulation (also done by phone)
- Specialised grammar programme
- Interview preparation
